Illinois 38 Improvements in Villa Park

CHICAGO – The Illinois Department of Transportation announced that a resurfacing project on Illinois 38 (Roosevelt Road) in Villa Park will begin, weather permitting, Aug. 15.

The project consists of resurfacing Illinois 38 between Summit and Villa avenues, with the addition of new sidewalks, improved sewers, curbs, gutters and medians. In order to complete the work, lane closures will be necessary.

The estimated completion date is late November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
